MAUPIN, OR

JOIN US!

DESCHUTES RIM
HEALTH CLINIC

We are looking for a dedicated General Dentist and FNP or PA to join our rural clinic as the sole dental and medical providers. Entry-level and experienced professionals are encouraged to apply! Whether you are a graduating student looking to start your career in a slower paced environment, or a seasoned provider looking for a beautiful quiet place to practice in, we have a brand-new state-of-the-art dental and medical office ready for providers to join our team and be a key part of delivering the exceptional patient care we strive for!

Located in sunny Maupin, Oregon, the newly constructed 4000 SqFt Deschutes Rim Health Clinic opened in the fall of 2022 and provides comprehensive primary health and dental care for all of South Wasco county and neighboring areas.

The Community

A friendly, small-town pace and unspoiled desert beauty await you in Maupin, Oregon on the wild and scenic Lower Deschutes River. Maupin (Pop. 434) is celebrated for superb whitewater rafting, world-class fishing, exceptional upland bird and big game hunting, breathtaking cycling routes, hiking trails, and much more! Located just 45 minutes south of The Dalles on Hwy 197, and a short drive from the Portland or Bend areas, Maupin is the perfect place for year-round recreation in Central Oregon.

Outside Maupin, the friendly communities of South Wasco County offer the same charm of rural living and outdoor experiences. Try out the 9-hole golf course in Pine Hollow, kayak in Rock Creek Reservoir, or explore the forests of the Lower White River Wilderness. During the winter, Government Camp on Mt. Hood is only a 45 minute drive away for hitting the slopes or for cross country skiing and snowshoeing.

Maupin prides itself as the little town that 'can'. We are building on past successful projects that include not just a beautiful Civic Center and fast fiber optic internet, but also recently completing a world class running track and soon to come athletic complex. Also nearing completion is the Maupin Works entrepreneurial hub; located on Maupin's main street, the hub will host up to 24 individuals in co-working and production space, providing direct resources and services to grow small businesses.

The South Wasco County school district encompasses one grade school, one middle school, and one high school. These small schools offer many positives for students, including small class sizes that promote better student-teacher collaboration and a wide selection of engaging electives.

White River Health District

The original Deschutes Rim Health Clinic opened for business in Maupin in September 2007 after the establishment of the White River Health District in 2001, which is run by a 5-member Board of Directors.

The White River Health District (dba Deschutes Rim Health Clinic) was formed by the taxpayers of South Wasco County to fill the need for medical care in this rural area. The formation of this Special District allowed for the creation of a financing source through special tax assessments. The Health District is a quasi-governmental entity and is a member of the Special Districts Association of Oregon.

Deschutes Rim Health Clinic

The DRHC is a Tier 4 Primary Care Centered Home committed to delivering high quality, comprehensive patient-centered care.

Our practice is equipped with two brand new Adec equipped dental operatories with digital panoramic, sensor and intraoral camera systems, a sterilization center and lab, and a private dental office with a breathtaking view of the surrounding hills.
